PERSONAL EXPERIENCE

I'm somehow very compatibility with programming compability due to my interest and without me realising that I love to spend my time learning how to create my own website and so on. I also start to create my own personal project to increase my knowledge solely on web development and I hope I can develop my skill further and become a data science profession.

SKILLS

GENERAL :-

FAST-LEARNER	HIGH MORALE	LONG-TERM WORKER
TEAMWORKER		

IT SKILL :-
